WE'RE GOING TO CONNECT TO THE INTERNET.

SO I CAN FINALLY MAKE MY DEBUT TO THE WORLD THEN?!

Hakase has logged in.

E

NO.005 <Let's connect to the net!>

Installing Connection software

パァァァ

I CUT THE CONNECTION SOFTWARE FROM HERE...

WAIT, WAIT, HAKASE

SO LET'S HURRY UP AND INSTALL IT!

HURRY, HURRY!

Mew

I hope we can be more precise than we were doing things together.

I'm hoping your conversation skills improve.

I'm quite a... an ideal option.

Hanaka-sama, have you finished the writing?

HUGE TITTIES!!

TRY ALOHA BUBBLE GOOOOONNHHH!!

Oh...L-I1 does the test properly plugged in.

Then I will conduct the connection check.

Melsa-sama, please check

Okay.

Melsa-sama, please check

If you detect anything out of place, please inform me.

The connection is finished!

Opening fifs

ぶ゛ゃ゛ーーーっ!!

E----!!!

E----!!!!

HANA
BUU
!!!!

E-----!!!!!

E----!!!!!

Yet
Again!?

So you...
didn't
install
anti-virus
software.

Nooo
GET OFF
GOO---
me

MEDICAL

VIRUS

With this, you can now have a fun, pleasant experience on the Internet knowing you are safe

NORWEGIAN SOFTWARE POWER

...which is why you'll always sleep soundly thanks to our Internet security software.

It creates a wall of defense.

He's defeating them all!
